International Seminar »YANG FAMILY TAI CHI CHUAN« with Grandmaster YANG Jun

May 24-26 2013, Ljubljana, SLOVENIA

www.yangfamilytaichi.si www.taiji.si

Traditional Yang Family Taijiquan

The Yang Family Tai Chi Chuan (Taijiquan) was founded by Yang Luchan. Yang Chengfu, 3rd generation, standardized the form that is practiced throughout the world today. Yang Family Taijiquan is extended and graceful, carefully structured, relaxed, gentle and flowing, while still maintaining the martial arts aspects.

Master Yang Jun

Yang Family Taijiquan 5th Generation lineage Holder

Born in 1968 in Taiyuan and grandson of Grandmaster Yang Zhen duo, descendant of Yang Luchan, the creator of Yang Style Taijiquan, Yang Jun is the 6th generation and the Yang Family Taijiquan 5th Generation lineage Holder. He is the President of the International Yang Family Tai Chi Chuan Association which was created by him and his grandfather in 1998. Yang Jun moved to Seattle, Washington in 1999, to formally begin working for the International Association. His forms seamlessly combine softness with hardness, finesse with flair, and restraint with expression.

Master Yang Jun will be teaching in English with Slovenian translation.
